

Documentation of Advanced Measures for Distinguished Achievement Program

Student Name: _____ Graduation Year: _____

Forms and required documentation are due to your counselor by 4:00 p.m. on April 15, 2013.

Please Note: Spanish 3 is a requirement for the Distinguished Achievement Program, but it is **NOT an Advanced Measure**. Counselors will verify your Spanish 3 credit by looking at your transcript; **DO NOT** put it on this form.

Types of Advanced Measures (Four are required)

1. B or higher in Dual Credit Course (college grade counts, not high school grade; one semester of college credit = one advanced measure)
2. B or higher in College Course (not taken for high school credit)
3. 3 or higher on AP exam taken prior to senior year
4. 80 or higher in WC Articulated Course (BIM/BCIS, DIM, Web Tech, Nutrition)
5. Commended Scholar on PSAT (bring Letter of Commendation from NMSC to counselor)
6. Original research project (see Course Description Handbook for requirements)

If using Type 1 or 2, you must attach a copy of your **college transcript**. If using Type 3, you must attach a **copy of your AP score(s)**. If using a dual credit course in which you are currently enrolled but have not received a final grade, you must provide a copy of your **final college transcript** in order to receive the Distinguished seal on your transcript.

1) Course Name: _____ Semester and Year Taken: _____

Grade in Course (college grade if applicable): _____ Score on AP Exam (if applicable): _____

2) Course Name: _____ Semester and Year Taken: _____

Grade in Course (college grade if applicable): _____ Score on AP Exam (if applicable): _____
